PROFESSIONAL SUMMARY

Digital Transformation Executive with 20+ years across the GCC and Egypt, leading IT operations and transformation initiatives spanning infrastructure, cloud, application operations, service management, integrations, operational reliability, and compliance. Currently leads a \$50M healthcare technology portfolio across more than 16 hospitals, with PMO governance, technology-partner coordination, clinical go-live, and service transition responsibilities. Previously built a PMO governing 300+ concurrent projects across 8 countries and directed a multi-country Salesforce implementation covering CRM and service management. Brings end-to-end delivery leadership, cross-functional coordination, governance discipline, operational readiness experience, and PMP, Agile, Lean Six Sigma, and ITIL credentials.

CORE COMPETENCIES

End-to-End IT Project Delivery	IT Operations & Transformation	Infrastructure, Cloud & Network Delivery
Application Operations & Service Management	Project Planning, Scheduling & Budgets	Governance, Change Control & Dependencies
RAID, Risk Mitigation & Escalations	Operational Readiness & Service Transition	Vendor & Technology Partner Governance
Executive Stakeholder Reporting	Security, Compliance & Quality Alignment	Saudi Vision 2030 Digital Transformation

PROFESSIONAL EXPERIENCE

PMO & Regional Engagement Lead

Saudi German Hospital Group | Dubai, UAE | Jun 2024 - Present

- Direct end-to-end IT operations and transformation delivery across more than **16 hospitals** in KSA, UAE, and Egypt, governing a **\$50M technology portfolio** from initiation through operational readiness.
- Established project governance for **30 cross-functional professionals**, integrating plans, schedules, budgets, dependencies, risk mitigation, escalations, milestones, and executive status reporting.
- Coordinate technology partners delivering cloud-native analytics, Azure data platforms, EMR/EHR integration, APIs, middleware, clinical UAT, go-live, and service transition across a multi-country environment.
- Align delivery with operational, security, quality, and compliance requirements, including JCI, HIMSS, and MOH standards, while driving continuous improvement and KPI control.

Country Manager

PaySky, Inc. | Egypt | Apr 2021 - Jan 2022

- Led market-entry delivery and product architecture for Egypt's first comprehensive SuperApp, integrating payments, banking, e-commerce, and lifestyle services into one platform.
- Coordinated financial institutions, service providers, and internal stakeholders to establish the platform ecosystem and manage cross-functional delivery dependencies.
- Built the initial team, operating model, and phased rollout framework for a complex regulated technology programme.

Head of E-Commerce Product & IT Strategy

Al Araby Group | Egypt | Jan 2020 - Jan 2021

- Led e-commerce IT strategy and SAP S/4HANA transformation for one of Egypt's largest retail groups, governing scope across finance, procurement, inventory, and retail operations.
- Managed the SAP implementation partner and business stakeholders through Discover, Prepare, Explore, and Realize phases, aligning plans, change control, readiness, and go-live priorities.

Product Development Manager

Delivery Hero SE (Talabat) | GCC Markets | Jun 2017 - May 2018

- Drove platform scaling from **30,000 to 7 million daily orders** across GCC markets, coordinating product, engineering, design, operations, and commercial teams around operational reliability and continuous improvement.
- Directed platform decisions involving scalability, APIs, integrations, data models, intelligent automation, and service performance across Berlin HQ, GCC, and Egypt stakeholders.

PMO Section Head (Project Management Department Manager)

Network International | Egypt | Sep 2014 - Jun 2017

- Built and led an enterprise PMO governing **300+ concurrent technology projects across 8 countries**, standardizing project plans, RAID controls, change governance, dependencies, milestones, and executive reporting.
- Recruited and trained **16 Project Managers**, coordinating delivery and budget governance for a portfolio serving **300+ banking and financial-services clients**.
- Governed a **14-month Salesforce implementation across 8 countries and 170 users**, covering CRM, service management, client engagement, stakeholder readiness, and enterprise rollout.
- Directed mobile-commerce and digital-payments delivery across internal teams, vendors, Visa, and Mastercard within regulated service environments.

Engagement Manager

Revamp Consulting | USA, UAE, Egypt | Mar 2013 - Sep 2014

- Managed enterprise transformation engagements for Mayo Clinic and AT&T, including healthcare process optimization and service operations transformation.

Earlier Experience

- **Senior Project Manager, PMO | BlueCloud | 2012 - 2013:** Managed IT infrastructure and telecom projects for Microsoft Egypt, Vodafone Egypt, and Qatar Diar.
- **Project Manager | Intel Corporation | 2011 - 2012:** Led global LTE/4G mobile technology and telecom infrastructure delivery.
- **Project Manager | SySDSoft / Intel Mobile Communication | 2010 - 2011:** Managed mobile communication technology development.
- **Technical Leadership Roles | 2004 - 2009:** Led software-development teams and project delivery for European and regional clients.
