PROFESSIONAL SUMMARY

Ahmed Nasr is an executive technology leader with 20+ years across digital transformation, software delivery, product, programme leadership, HealthTech, FinTech and e-commerce in GCC and Egypt. As PMO & Regional Engagement Lead at Saudi German Hospital Group, he leads a \$50M technology portfolio across 16+ hospitals and 30 cross-functional professionals spanning KSA, UAE and Egypt. His healthcare technology scope covers EMR/EHR integration, hospital information systems, LIS, HL7/FHIR, DICOM, APIs, middleware, enterprise integrations, data mapping, UAT, go-live, healthcare data exchange, enterprise data, and cloud-enabled AI/analytics platforms. He brings end-to-end software delivery, software development leadership, architecture, engineering governance, delivery predictability, risk management, and scalable technology solutions across regulated environments and distributed international technology organisations.

CORE COMPETENCIES

Architecture | Scalable Technology Solutions | Engineering Governance
Delivery Predictability | Risk Management | Healthcare Technology
Hospital Information Systems | HL7/FHIR | Enterprise Integrations
Cloud Platforms | Modern Data Platforms | Distributed International Technology Organisations

PROFESSIONAL EXPERIENCE

PMO & Regional Engagement Lead

Saudi German Hospital Group | Dubai, UAE | Jun 2024 - Present

- Lead a \$50M healthcare technology portfolio across 16+ hospitals in KSA, UAE, and Egypt, aligning 30 cross-functional professionals, executive stakeholders, delivery priorities, risk management, and measurable transformation outcomes.
- Direct healthcare integration across EMR and EHR platforms, clinical systems, LIS, HL7, FHIR, DICOM, APIs, middleware, data mapping, user acceptance testing, go-live, and production healthcare data exchange.
- Established enterprise delivery governance for telemedicine, AI-enabled clinical decision support, enterprise data, and analytics platforms, strengthening delivery predictability, technical coordination, KPI reporting, and operational reliability.
- Partner with global healthcare technology providers and clinical, technology, and business stakeholders while maintaining JCI, HIMSS, and MOH compliance across a regulated multi-country environment.

Country Manager

PaySky, Inc. | Egypt | Apr 2021 - Jan 2022

- Led product architecture and Egypt market entry for the country's first comprehensive SuperApp, translating business requirements into a scalable platform integrating payments, banking, e-commerce, and lifestyle services.
- Built the initial team and operating framework for phased platform delivery, aligning financial institutions, service providers, product priorities, enterprise integrations, and market launch decisions.

Head of E-Commerce Product & IT Strategy

Al Araby Group | Egypt | Jan 2020 - Jan 2021

- Led e-commerce technology strategy for one of Egypt's largest retailers, aligning product, business, and delivery stakeholders around scalable digital customer journeys and operational performance.
- Governed SAP S/4HANA migration across finance, procurement, inventory, and retail operations, coordinating architecture, implementation partners, business owners, delivery phases, dependencies, and technology risk.

Product Development Manager

Delivery Hero SE (Talabat) | GCC Markets | Jun 2017 - May 2018

- Led product strategy and operational improvements as the platform scaled from 30,000 to 7 million daily orders, a 233x increase, governing roadmap, delivery, growth, adoption, retention, and business performance.
- Directed product decisions spanning platform scalability, APIs, enterprise integrations, data models, intelligent automation, and operational reliability with distributed Engineering, Design, Operations, and commercial teams across Berlin HQ, GCC, and Egypt.
- Led the Operations Excellence Committee across headquarters and regional markets, establishing KPIs, performance dashboards, cross-team alignment, and disciplined delivery decisions during hypergrowth.

PROFESSIONAL EXPERIENCE (CONTINUED)

PMO Section Head (Project Management Department Manager)

Network International | Egypt | Sep 2014 - Jun 2017

- Built and led an enterprise PMO governing 300+ concurrent banking, payments, and insurance projects across 8 countries, standardising delivery governance, risk controls, KPIs, and executive accountability for 300+ clients.
- Recruited, trained, and led 16 Project Managers, strengthening team capability, resource planning, stakeholder communication, and predictable execution across a distributed international organisation.
- Governed a 14-month Salesforce implementation across 8 countries and 170 users, coordinating platform delivery, service management, business stakeholders, delivery partners, enterprise integrations, and adoption.

Engagement Manager

Revamp Consulting | USA, UAE, Egypt | Mar 2013 - Sep 2014

- Led healthcare and enterprise transformation engagements for Mayo Clinic and AT&T, aligning senior stakeholders, business-process redesign, service operations, and technology-enabled improvement across international environments.

EARLIER EXPERIENCE

Senior Project Manager, PMO | BlueCloud | 2012 - 2013 | IT infrastructure and telecom programmes for Microsoft Egypt, Vodafone Egypt, and Qatar Diar

Project Manager | Intel Corporation | 2011 - 2012 | Global LTE and 4G mobile technology and telecom infrastructure delivery

Project Manager | SySDSoft / Intel Mobile Communication | 2010 - 2011 | Mobile communication technology development

Technical Leadership Roles | BASS, Code Republic, Speech Workers, PEARDEV | 2004 - 2009 | Software development team leadership and project delivery for European and regional clients

EDUCATION

MBA, Master in International Business Administration (MIBA) | Paris ESLSA Business School | 2025 - 2027 (Expected)

Project Management Professional (PMP) Training | Universite francaise d'Egypte | 2007 - 2008
