PROFESSIONAL SUMMARY

Digital Transformation Executive with 20+ years leading programme management, integration, transformation, and Program Management Office (PMO) delivery across GCC and emerging markets. Currently leads a \$50M digital transformation across Saudi German Hospital Group, covering more than 16 hospitals in KSA, UAE, and Egypt with healthcare IT integration, enterprise data, clinical systems, and cross-functional delivery. Built an enterprise PMO at Network International managing 300+ concurrent banking and payments projects across 8 countries, with governance for senior stakeholders, portfolio reporting, risk tracking, and multi-country execution. Delivers structured transformation in complex environments through integration office setup, programme governance, 30, 60, 90-day mobilisation planning, stakeholder alignment, and measurable operational outcomes.

PROFESSIONAL EXPERIENCE

PMO & Regional Engagement Lead

Jun 2024 - Present

Saudi German Hospital Group | Dubai, UAE

- Lead digital transformation and healthcare IT integration across more than 16 hospitals in KSA, UAE, and Egypt, managing a \$50M technology transformation budget across multiple geographies.
- Established an enterprise Program Management Office (PMO) framework functioning as an integration office for transformation workstreams, coordinating cross-functional teams of 30 professionals across telemedicine, AI-powered clinical decision support, enterprise data warehouse, and data governance.
- Drive programme governance, workstream structure, stakeholder alignment, interdependency management, and risk tracking across healthcare technology, clinical systems, enterprise data, and regulatory delivery.
- Partner with U.S. healthcare technology leaders including Health Catalyst and KLAS Research to integrate AI, machine learning, EMR, analytics, interoperability, APIs, middleware, and clinical data exchange solutions across the hospital network.
- Govern JCI, HIMSS, and MOH regulatory compliance while driving quality assurance, continuous quality improvement, Key Performance Indicator (KPI) tracking, operational excellence, and measurable return on investment.

Country Manager

Apr 2021 - Jan 2022

PaySky, Inc. | Egypt

- Led market entry strategy and product architecture for Egypt's first comprehensive SuperApp, aligning payments, banking, e-commerce, and lifestyle services into a unified digital platform.
- Established strategic partnerships with financial institutions and service providers to build the platform ecosystem, operational framework, and phased market rollout.

Head of E-Commerce Product & IT Strategy

Jan 2020 - Jan 2021

Al Araby Group | Egypt

- Led e-commerce digital transformation and IT strategy for one of Egypt's largest consumer electronics and home appliances retailers, coordinating enterprise stakeholders across business and technology functions.
- Managed SAP S/4 HANA migration using SAP Activate Methodology, governing Discover, Prepare, Explore, and Realize phases across finance, procurement, inventory, and retail operations.

Product Development Manager

Jun 2017 - May 2018

Delivery Hero SE (Talabat) | GCC Markets

- Led product strategy and operational improvement during hypergrowth, contributing to platform scaling from 30,000 to 7 million daily orders across GCC markets, a 233x growth trajectory.

- Drove strategic direction and feature prioritization for logistics operations across Egypt and GCC countries, coordinating Berlin HQ, regional markets, product, design, and operations stakeholders.
- Led the Operations Excellence Committee to establish performance dashboards, Key Performance Indicators (KPIs), lean methodology, and cross-functional execution routines during rapid scale.

PMO Section Head (Project Management Department Manager)

Sep 2014 - Jun 2017

Network International | Egypt

- Built and led an enterprise Program Management Office (PMO) from the ground up, managing 300+ concurrent banking, insurance, and payments projects across 8 countries.
- Recruited and trained 16 Project Managers, overseeing portfolio management, budget governance, executive reporting, and delivery coordination for 300+ banking and financial services clients.
- Implemented a directive PMO framework and governance model with KPI-driven reporting, standardizing delivery methodology, escalation routines, risk visibility, and revenue-impacting initiatives across emerging markets payments.
- Delivered a 14-month Salesforce enterprise implementation across 8 countries and 170 users, covering CRM, service management, client engagement, and multi-country rollout governance.
- Governed mobile commerce and digital payments portfolio delivery including mobile wallets, cardless transactions, and cross-border money transfer solutions for major card networks including Visa and Mastercard.

Engagement Manager

Mar 2013 - Sep 2014

Revamp Consulting | USA, UAE, Egypt

- Managed multi-sector consulting engagements for enterprise clients including Mayo Clinic healthcare business process optimization and AT&T service operations transformation.

Earlier Experience (2004 - 2013): Senior Project Manager, PMO at BlueCloud managing IT infrastructure and telecom projects for Microsoft Egypt, Vodafone Egypt, and Qatar Diar. Project Manager at Intel Corporation serving as a global project manager for LTE and 4G mobile technology and telecom infrastructure deployment. Earlier technical leadership roles across software development team leadership and project delivery for European and regional clients.
