PROFESSIONAL SUMMARY

Digital Transformation Executive with 20+ years owning enterprise change from transformation agenda and funded roadmap through governance rhythm and execution across the GCC and Egypt. Currently leads a \$50M portfolio across 15 hospitals in three countries, aligning portfolio spend, resourcing, steering groups, milestone reviews and enterprise-level reporting. Built an enterprise PMO governing 300+ projects across 8 countries and led SAP S/4HANA transformation, demonstrating fluency across agile ways of working and the digital and ERP backbone. Combines partnership integrations and innovation portfolio leadership with clear executive communication to turn ambiguity into accountable, scalable operating outcomes.

CORE COMPETENCIES

Enterprise Transformation Strategy | Transformation Governance & Operating Cadence | Steering Groups & Executive Reporting
Portfolio Spend & Resource Governance (\$50M) | Milestone Reviews, Escalations & Risk | C-Suite & Board-Level Communication
Partnership Integration & Ecosystem Development | Innovation Portfolio & Venture Validation | Agile Ways of Working
Enterprise Resource Planning (SAP S/4HANA) | Multi-Function Operating Model Redesign | Enterprise PMO Built from Scratch (300+ Projects)

PROFESSIONAL EXPERIENCE

PMO & Regional Engagement Lead

Saudi German Hospital Group | Dubai, UAE | Jun 2024 - Present

- Lead a \$50M digital transformation portfolio across 15 hospitals in KSA, UAE and Egypt, translating executive priorities into a funded roadmap with clear portfolio spend, resourcing, milestone and risk controls.
- Established an enterprise PMO governance rhythm for 30 cross-functional professionals, structuring steering-group decisions, executive reporting, KPI reviews and escalation paths across AI, telemedicine and enterprise data workstreams.
- Direct partnership integrations with U.S. healthcare technology leaders, aligning delivery teams, clinical executives and vendors around implementation milestones, data governance, measurable ROI and operational readiness.
- Govern JCI, HIMSS and MOH compliance while pressure-testing innovation initiatives before scale, combining portfolio oversight with continuous quality improvement across a complex multi-country operating environment.

Country Manager

PaySky, Inc. | Egypt | Apr 2021 - Jan 2022

- Led market-entry strategy and product architecture for Egypt's first comprehensive SuperApp, converting a broad innovation agenda into a phased roadmap across payments, banking, e-commerce and lifestyle services.
- Established strategic partnerships with financial institutions and service providers, building the ecosystem required to integrate multiple propositions through one unified digital platform.
- Built the initial team and operating framework, creating governance, delivery coordination and launch discipline for product rollout in a regulated financial-services environment.

Head of E-Commerce Product & IT Strategy

Al Araby Group | Egypt | Jan 2020 - Jan 2021

- Led e-commerce transformation and IT strategy for one of Egypt's largest consumer-electronics retailers, reshaping digital operations and aligning cross-functional priorities around enterprise modernisation.
- Governed SAP S/4HANA transformation across finance, procurement, inventory and retail operations, coordinating executives, business owners and the implementation partner through structured milestones, risks and decisions.

PROFESSIONAL EXPERIENCE (CONTINUED)

Product Development Manager

Delivery Hero SE (Talabat) | GCC Markets | Jun 2017 - May 2018

- Drove platform scaling from 30,000 to 7 million daily orders across GCC markets, using KPI dashboards and operational-excellence governance to maintain delivery discipline through 233x growth.
- Led the Operations Excellence Committee across Berlin HQ, GCC countries and Egypt, aligning product, design, engineering and operations teams through an agile operating cadence and clear performance reporting.

PMO Section Head (Project Management Department Manager)

Network International | Egypt | Sep 2014 - Jun 2017

- Built an enterprise PMO from scratch governing 300+ concurrent banking, payments and insurance projects across 8 countries, establishing enterprise-level reporting, delivery standards and escalation paths.
- Recruited and trained 16 Project Managers, creating a consistent governance rhythm for portfolio priorities, milestone reviews, resource coordination and executive decision-making across regional workstreams.
- Directed KPI-driven portfolio reporting for 300+ banking and financial-services clients, translating delivery risks and dependencies into clear executive asks and accountable corrective action.
- Governed a 14-month Salesforce implementation across 8 countries and 170 users, coordinating business stakeholders, platform delivery, change control and enterprise adoption through structured phases.

Engagement Manager

Revamp Consulting | USA, UAE, Egypt | Mar 2013 - Sep 2014

- Led enterprise transformation engagements for Mayo Clinic and AT&T spanning business-process optimisation, service-operations redesign, executive stakeholder alignment and strategy-through-execution delivery.

EARLIER EXPERIENCE

Senior Project Manager, PMO | BlueCloud | 2012 - 2013 | IT infrastructure and telecom programs for Microsoft Egypt, Vodafone Egypt and Qatar Diar

Project Manager | Intel Corporation | 2011 - 2012 | Global LTE/4G mobile technology and telecom infrastructure delivery

Project Manager | SySDSoft / Intel Mobile Communication | 2010 - 2011 | Mobile communication technology development

Technical Leadership Roles | BASS, Code Republic, Speech Workers, PEARDEV | 2004 - 2009 | Software development leadership for European and regional clients
