Dubai, UAE | +971 50 281 4490 | ahmednasr999@gmail.com | linkedin.com/in/ahmednasr

PROFESSIONAL SUMMARY

Enterprise AI and data science executive with 20+ years in technology and transformation, 10+ years in analytics, and 8+ years leading data science, machine learning, and AI. Expertise spans predictive modelling, statistical analysis, AI solution development, Python, modern AI frameworks, Azure Machine Learning, Databricks, Data Factory, ADLS, enterprise data platforms, distributed databases, cloud-native analytics, Generative AI, Agentic AI, responsible AI, model validation, and data governance. Leads a \$50M transformation across 16+ hospitals in KSA, UAE, and Egypt with 30 professionals, delivering AI-powered clinical decision support, enterprise data warehousing, analytics, and EMR integration. Led AI-driven product transformation as a platform scaled from 30,000 to 7 million daily orders and built an enterprise PMO governing 300+ projects across 8 countries, converting technical capability into measurable business outcomes.

CORE COMPETENCIES

Enterprise AI & Data Science Strategy | Machine Learning & Predictive Modelling | Statistical Analysis & AI Solution Development
Python & Modern AI Frameworks | Azure Machine Learning (Azure ML) | Azure Databricks, Data Factory & ADLS
Generative AI & Agentic AI | Enterprise Data Platforms & Distributed Databases | Cloud-Native Analytics Environments
Responsible AI, Ethics & Model Validation | Data Governance & Data-Driven Decision-Making | Executive Stakeholder & Team Leadership

PROFESSIONAL EXPERIENCE

PMO & Regional Engagement Lead

Saudi German Hospital Group | Dubai, UAE | Jun 2024 - Present

- Lead a \$50M healthcare technology transformation portfolio across 16+ hospitals in KSA, UAE, and Egypt, translating enterprise AI, data, and advanced analytics priorities into governed roadmaps, investment decisions, delivery milestones, and measurable business value.
- Established an enterprise PMO for 30 cross-functional professionals delivering telemedicine, AI-powered clinical decision support, enterprise data warehouse, analytics, and data-governance capabilities with executive KPI reporting and responsible-AI controls.
- Direct machine learning and predictive-analytics delivery using Python, modern AI frameworks, Azure Machine Learning, Databricks, Data Factory, and Azure Data Lake Storage, connecting solution design, model validation, cloud-native deployment, and operational adoption.
- Partner with Health Catalyst, KLAS Research, business leaders, and technology teams to integrate AI, machine learning, EMR, and analytics solutions while maintaining JCI, HIMSS, MOH, data ethics, and regulatory requirements.

Country Manager

PaySky, Inc. | Egypt | Apr 2021 - Jan 2022

- Led market entry and product architecture for Egypt's first comprehensive SuperApp, integrating payments, banking, e-commerce, and lifestyle services into a unified, data-enabled platform for financial inclusion.
- Built the initial team and operating framework, partnering with financial institutions, service providers, and technology teams on platform architecture, data integration, phased deployment, governance, and measurable adoption priorities.

Head of E-Commerce Product & IT Strategy

Al Araby Group | Egypt | Jan 2020 - Jan 2021

- Led e-commerce digital transformation and IT strategy for one of Egypt's largest retailers, aligning customer and operational data, digital-platform priorities, technology vendors, and business stakeholders around growth and performance.
- Governed SAP S/4HANA transformation across finance, procurement, inventory, and retail operations, coordinating enterprise data, implementation partners, business owners, dependencies, testing, and change decisions.

Product Development Manager

Delivery Hero SE (Talabat) | GCC Markets | Jun 2017 - May 2018

- Drove platform scaling from 30,000 to 7 million daily orders, a 233x increase, using data-driven product strategy, performance analytics, roadmaps, pricing, adoption, retention, and business-outcome decisions across GCC markets.
- Led AI-driven customer-service, customer-experience, and logistics transformation across Berlin HQ, GCC, and Egypt, aligning Engineering, Design, Operations, and commercial teams on APIs, data models, intelligent automation, platform reliability, and KPIs.

PROFESSIONAL EXPERIENCE (CONTINUED)

PMO Section Head (Project Management Department Manager)

Network International | Egypt | Sep 2014 - Jun 2017

- Built and led an enterprise PMO governing 300+ concurrent banking, payments, and insurance initiatives across 8 countries, standardizing portfolio prioritization, data-driven KPI reporting, risk controls, and delivery accountability for 300+ clients.
- Recruited, mentored, and directed 16 Project Managers, strengthening cross-functional execution, executive communication, investment governance, and operational decision-making across a complex multinational environment.
- Governed a 14-month Salesforce implementation across 8 countries and 170 users, coordinating enterprise data, CRM, integrations, service-management workflows, business stakeholders, delivery partners, and platform adoption.

Engagement Manager

Revamp Consulting | USA, UAE, Egypt | Mar 2013 - Sep 2014

- Led healthcare and enterprise transformation engagements for Mayo Clinic and AT&T, translating complex operational evidence into process redesign, executive decisions, and technology-enabled improvement across matrixed client environments.

EARLIER EXPERIENCE

Senior Project Manager, PMO | BlueCloud | 2012 - 2013 | IT infrastructure and telecom programs for Microsoft Egypt, Vodafone Egypt, and Qatar Diar

Project Manager | Intel Corporation | 2011 - 2012 | Global LTE and 4G mobile technology and telecom infrastructure delivery

Project Manager | SySDSoft / Intel Mobile Communication | 2010 - 2011 | Mobile communication technology development

Technical Leadership Roles | BASS, Code Republic, Speech Workers, PEARDEV | 2004 - 2009 | Software development leadership for European and regional clients

EDUCATION

MBA, Master in International Business Administration (MIBA) | Paris ESLSCA Business School | 2025 - 2027 (Expected)
