PROFESSIONAL SUMMARY

Digital Transformation Executive with 20+ years across FinTech, HealthTech, e-commerce, data governance, analytics, AI, and enterprise transformation in GCC and emerging markets. Built and governed a 300+ project enterprise Program Management Office (PMO) across 8 countries at Network International, serving 300+ banking and financial services clients with payments, mobile commerce, Salesforce, and portfolio governance. Currently leads a \$50M digital transformation across Saudi German Hospital Group, delivering AI, clinical analytics, enterprise data, interoperability, and cross-functional transformation across KSA, UAE, and Egypt. Brings Mastercard-relevant strengths in consultative client engagement, C-suite stakeholder management, solution framing, ROI-driven business cases, and scalable digital payments and data programs.

PROFESSIONAL EXPERIENCE

PMO & Regional Engagement Lead

Jun 2024 - Present

Saudi German Hospital Group | Dubai, UAE

- Lead a \$50M digital transformation across more than 16 hospitals in KSA, UAE, and Egypt, aligning executive stakeholders, clinical leaders, technology teams, vendors, and regional business sponsors around measurable digital outcomes.
- Established an enterprise Program Management Office (PMO) framework coordinating cross-functional teams of 30 professionals across telemedicine, AI-powered clinical decision support, enterprise data warehouse, data governance, and analytics workstreams.
- Partner with U.S. healthcare technology leaders including Health Catalyst and KLAS Research to integrate AI, machine learning, EMR, analytics, interoperability, APIs, middleware, and clinical data exchange solutions across a multi-country hospital network.
- Frame transformation value through Key Performance Indicators (KPIs), return on investment, operational excellence, quality improvement, and JCI, HIMSS, and MOH compliance governance for senior leadership decision-making.

Country Manager

Apr 2021 - Jan 2022

PaySky, Inc. | Egypt

- Led market entry strategy and product architecture for Egypt's first comprehensive SuperApp, integrating payments, banking, e-commerce, and lifestyle services into a unified digital financial services platform.
- Established strategic partnerships with financial institutions and service providers, shaping the platform ecosystem, operating model, phased launch plan, and client value proposition for digital inclusion and payments growth.

Head of E-Commerce Product & IT Strategy

Jan 2020 - Jan 2021

Al Araby Group | Egypt

- Led e-commerce digital transformation and IT strategy for one of Egypt's largest consumer electronics and home appliances retailers, coordinating business and technology stakeholders on enterprise transformation priorities.
- Managed SAP S/4 HANA migration governance using SAP Activate Methodology, supporting Discover, Prepare, Explore, and Realize phases across finance, procurement, inventory, and retail operations.

Product Development Manager

Jun 2017 - May 2018

Delivery Hero SE (Talabat) | GCC Markets

- Led product strategy and operational improvement during hypergrowth, contributing to platform scaling from 30,000 to 7 million daily orders across GCC markets, a 233x growth trajectory.
- Drove feature prioritization for logistics operations across Egypt and GCC countries, coordinating Berlin HQ, regional markets, product, design, and operations stakeholders on scalable digital platform outcomes.
- Led the Operations Excellence Committee to establish performance dashboards, Key Performance Indicators (KPIs), lean methodology, and cross-functional execution routines during rapid scale.

PMO Section Head (Project Management Department Manager)

Sep 2014 - Jun 2017

Network International | Egypt

- Built and led an enterprise Program Management Office (PMO) from the ground up, managing 300+ concurrent banking, insurance, and payments projects across 8 countries.
- Recruited and trained 16 Project Managers, overseeing portfolio management, budget governance, executive reporting, and delivery coordination for 300+ banking and financial services clients.
- Implemented a directive PMO framework and governance model with KPI-driven reporting, standardizing delivery methodology and revenue-impacting initiatives across emerging markets payments.
- Delivered a 14-month Salesforce enterprise implementation across 8 countries and 170 users, covering CRM, service management, client engagement, and multi-country rollout governance.
- Governed mobile commerce and digital payments portfolio delivery including mobile wallets, cardless transactions, and cross-border money transfer solutions for major card networks including Visa and Mastercard.

Engagement Manager

Mar 2013 - Sep 2014

Revamp Consulting | USA, UAE, Egypt

- Managed multi-sector consulting engagements for enterprise clients including Mayo Clinic healthcare business process optimization and AT&T service operations transformation.

Earlier Experience (2004 - 2013): Senior Project Manager, PMO at BlueCloud managing IT infrastructure and telecom projects for Microsoft Egypt, Vodafone Egypt, and Qatar Diar. Project Manager at Intel Corporation serving as a global project manager for LTE and 4G mobile technology and telecom infrastructure deployment. Earlier technical leadership roles across software development team leadership and project delivery for European and regional clients.
