PROFESSIONAL SUMMARY

Digital Transformation Executive with 20+ years leading global expansion, operations scaling, enterprise Program Management Office (PMO) governance, AI-enabled transformation, fintech, healthcare technology, e-commerce, telecom, and digital infrastructure programs across GCC and Egypt. Scaled Talabat operations from 30,000 to 7 million daily orders across GCC markets, establishing performance dashboards, cross-market operating cadence, and operational excellence controls during 233x growth. Currently leads a \$50M digital transformation portfolio across a 15-hospital network in KSA, UAE, and Egypt, translating executive priorities into scalable systems, data governance, partner coordination, and measurable operational performance. Brings UnlockLand a practical operator who can architect scalable systems, optimize cross-functional execution, enable Saudi Vision 2030 digital transformation, and support enterprise and government adoption of AI-driven platforms.

CORE COMPETENCIES

Global Expansion Strategy | Operational Strategy & Execution | Saudi Vision 2030 Digital Transformation | Scalable Operating Models | Enterprise PMO & Portfolio Governance | Cross-Functional Execution | Process Design & Systems Implementation | Operational Excellence & KPI Frameworks | Enterprise AI & LLM Deployment | Generative AI / GenAI Strategy | Cloud Platform Strategy (AWS, Azure, GCP) | Enterprise Delivery & Stakeholder Management | Government & Enterprise Client Enablement | Digital Infrastructure & Telecom Programs | Data Governance & Performance Reporting | Change Management & Risk Mitigation

EXPERIENCE

PMO & Regional Engagement Lead

Saudi German Hospital Group | Dubai, UAE | Jun 2024 - Present

- Lead a \$50M digital transformation portfolio across a 15-hospital network in KSA, UAE, and Egypt, supporting Saudi Vision 2030 modernization through scalable systems, data governance, partner coordination, and executive performance reporting.
- Established enterprise PMO framework managing cross-functional teams of 30 professionals delivering telemedicine, AI-powered clinical decision support, enterprise data warehouse, and analytics solutions across multi-country healthcare operations.
- Partner with U.S. healthcare technology leaders including Health Catalyst and KLAS Research to integrate AI, machine learning, EMR, analytics, and operational intelligence capabilities across hospital network, driving measurable ROI.
- Govern portfolio execution, KPI tracking, regulatory compliance, stakeholder cadence, and operational excellence initiatives while ensuring JCI, HIMSS, and MOH alignment across regional delivery programs.

Country Manager

PaySky, Inc. | Egypt | Apr 2021 - Jan 2022

- Led market entry strategy and product architecture for Egypt's first comprehensive SuperApp, establishing the operating model for phased launch, partner onboarding, and product rollout.
- Designed SuperApp architecture integrating payments, banking, e-commerce, and lifestyle services into a unified digital platform serving financial inclusion and enterprise ecosystem objectives.
- Established strategic partnerships with financial institutions and service providers to build a comprehensive platform ecosystem supporting adoption, service delivery, and scalable growth.
- Built initial team structure and operational framework for market enablement, cross-functional execution, and launch governance across product, technology, and commercial stakeholders.

Head of E-Commerce Product & IT Strategy

Al Araby Group | Egypt | Jan 2020 - Jan 2021

- Led e-commerce digital transformation and IT strategy for one of Egypt's largest consumer electronics and home appliances retailers, aligning online growth, operating model, and technology roadmap.
- Managed SAP S/4 HANA migration program using SAP Activate Methodology across Discover, Prepare, Explore, and Realize phases, coordinating implementation partner and internal stakeholders.
- Governed ERP transformation scope covering finance, procurement, inventory, and retail operations, strengthening process design, systems implementation, and performance visibility across core functions.

Product Development Manager

Delivery Hero SE (Talabat) | GCC Markets | Jun 2017 - May 2018

- Led product strategy and operational improvements during hypergrowth, contributing to platform scaling from 30,000 to 7 million daily orders across GCC markets, a 233x increase supporting revenue growth and operational scale.
- Drove product strategic direction and feature prioritization supporting rapid scaling of logistics operations across Egypt and GCC countries, improving cross-market adoption and service quality.
- Led Operations Excellence Committee coordinating Berlin HQ, GCC countries, and Egypt markets, establishing Key Performance Indicators (KPIs), performance dashboards, and cross-functional operating cadence.
- Implemented lean methodologies and managed cross-functional product and design teams delivering customer-centric features that enabled massive scale while maintaining service quality and reducing operational costs.

PMO Section Head (Project Management Department Manager)

Network International | Egypt | Sep 2014 - Jun 2017

- Built and led enterprise PMO from ground up managing 300+ concurrent banking, insurance, and payments projects across 8 countries including Egypt, UAE, Jordan, Kenya, Nigeria, Ghana, Mauritius, and South Africa.
- Implemented directive PMO framework and governance model with KPI-driven reporting, standardizing project delivery methodology, risk escalation, and revenue-impacting initiatives across emerging markets payments division.
- Recruited and trained team of 16 Project Managers, overseeing portfolio management, budget governance, and executive stakeholder reporting serving 300+ banking and financial services clients worldwide.
- Delivered comprehensive mobile commerce and digital payments portfolio including mobile wallets, cardless transactions, and cross-border money transfer solutions for major card networks including Visa and Mastercard.
- Governed 14-month Salesforce enterprise implementation across 8 countries and 170 users, delivering platform rollout covering CRM, service management, and client engagement across 300+ banking clients.

Engagement Manager

Revamp Consulting | USA, UAE, Egypt | Mar 2013 - Sep 2014

- Managed multi-sector consulting engagements for enterprise clients including Mayo Clinic healthcare business process optimization and AT&T service operations transformation, translating executive priorities into delivery plans and measurable improvements.

Senior Project Manager, PMO

BlueCloud | Egypt | 2012 - 2013

- Managed IT infrastructure and telecom projects for Microsoft Egypt, Vodafone Egypt, and Qatar Diar, coordinating delivery governance, stakeholder management, and technical execution across enterprise environments.

Project Manager

Intel Corporation | Egypt | 2011 - 2012

- Served as global project manager for LTE (4G) mobile technology and telecom infrastructure deployment programs, supporting network and digital infrastructure delivery across multi-stakeholder technology environments.
