PROFESSIONAL SUMMARY

Digital Transformation and IT PMO executive with 20+ years leading technology programs, enterprise implementations, governance frameworks, and cross-functional delivery across GCC, Egypt, and international markets. Built and led the Network International PMO managing 300+ concurrent banking and payments projects across 8 countries, with portfolio coverage across 300+ banking clients and a team of 16 Project Managers. Currently leads a \$50M transformation portfolio across a 15-hospital network, aligning scope, budgets, risks, dependencies, senior stakeholder reporting, and delivery standards. Delivers high-stakes technology programs by combining Project Management Office (PMO) discipline, Agile and hybrid delivery, risk management, audit-ready documentation, and measurable business transformation outcomes.

CORE COMPETENCIES

Enterprise PMO and Portfolio Management | Technology Program Delivery | Large-Scale Enterprise Implementations | Digital Transformation Strategy and Execution | Governance Frameworks and Delivery Standards | Project Scope, Objectives, and Success Metrics | Multi-Workstream Planning, Timelines, and Budgets | Risk, Issue, Dependency, and Milestone Management | Senior Stakeholder Reporting | Resource Planning and Capacity Management | Agile, Scrum, Waterfall, and Hybrid Delivery | Program Management Office (PMO) Setup | Operational Excellence and Cost Reduction | Data Governance and KPI Tracking | Cloud Platform Strategy, AWS, Azure, GCP | Enterprise AI and LLM Deployment

PROFESSIONAL EXPERIENCE

PMO & Regional Engagement Lead

Jun 2024 - Present

Saudi German Hospital Group | Dubai, UAE

- Lead digital transformation across a 15-hospital network in KSA, UAE, and Egypt, managing a \$50M technology transformation program across multiple workstreams, priorities, and senior stakeholders.
- Established an enterprise PMO framework for cross-functional teams of 30 professionals, aligning scope, objectives, governance standards, delivery methodology, and executive reporting across concurrent initiatives.
- Manage program performance, risk, dependencies, milestones, KPI tracking, data governance, and ROI-driven delivery across telemedicine, AI-powered clinical decision support, EMR, and enterprise data warehouse initiatives.
- Partner with U.S. healthcare technology leaders including Health Catalyst and KLAS Research to integrate AI, machine learning, EMR, and analytics solutions across the hospital network.
- Ensure JCI, HIMSS, and MOH compliance while maintaining structured documentation, continuous quality improvement, and operational excellence standards for audit-sensitive healthcare programs.

Country Manager

Apr 2021 - Jan 2022

PaySky, Inc. | Egypt

- Led market entry strategy and product architecture for Egypt's first comprehensive SuperApp, integrating payments, banking, e-commerce, and lifestyle services into one digital platform.
- Established strategic partnerships with financial institutions and service providers, building an ecosystem for phased market launch, operational readiness, and product rollout.
- Built the initial team and operating framework, coordinating business, technology, and external partners across product architecture and implementation planning.

Head of E-Commerce Product & IT Strategy

Jan 2020 - Jan 2021

Al Araby Group | Egypt

- Led e-commerce digital transformation and IT strategy for one of Egypt's largest consumer electronics and home appliances retailers, coordinating business, technology, and implementation stakeholders.

- Managed SAP S/4 HANA migration using SAP Activate methodology across Discover, Prepare, Explore, and Realize phases, covering finance, procurement, inventory, and retail operations.
- Governed ERP transformation scope, partner coordination, project planning, and delivery alignment across core business processes and retail operations.

Product Development Manager

Jun 2017 - May 2018

Delivery Hero SE, Talabat | GCC Markets

- Led product strategy and operational improvements during hypergrowth, contributing to platform scaling from 30,000 to 7 million daily orders across GCC markets, a 233x growth trajectory.
- Led the Operations Excellence Committee, coordinating execution between Berlin HQ, GCC countries, and Egypt markets to align cross-market initiatives, accountabilities, and outcomes.
- Implemented lean methodologies and managed cross-functional product and design teams delivering customer-centric features that enabled massive scale and operational performance.

PMO Section Head (Project Management Department Manager)

Sep 2014 - Jun 2017

Network International | Egypt

- Built and led an enterprise PMO from the ground up, managing 300+ concurrent banking and payments projects across 8 countries for 300+ banking clients worldwide.
- Implemented a directive PMO framework and governance model, standardizing project delivery methodology, reporting, escalation, and portfolio controls across emerging markets.
- Recruited and trained 16 Project Managers, strengthening resource planning, capacity management, delivery accountability, and multi-project execution capability.
- Delivered a mobile commerce and digital payments portfolio including mobile wallets, cardless transactions, cross-border money transfer, and technology-driven client implementations.
- Governed a 14-month Salesforce enterprise implementation across 8 countries and 170 users, covering CRM, service management, client engagement, planning, dependencies, and rollout coordination.

Engagement Manager

Mar 2013 - Sep 2014

Revamp Consulting | USA, UAE, Egypt

- Managed multi-sector consulting engagements for enterprise clients including Mayo Clinic for healthcare business process optimization and AT&T for service operations transformation.

Earlier Experience

2004 - 2013

BlueCloud, Intel Corporation, SySDSoft/Intel Mobile, BASS, Code Republic, Speech Workers, PEARDEV

- Senior Project Manager, PMO at BlueCloud, managing IT infrastructure and telecom projects for Microsoft Egypt, Vodafone Egypt, and Qatar Diar.
- Project Manager at Intel Corporation for global LTE (4G) mobile technology and telecom infrastructure deployment projects.
- Managed mobile communication technology development at SySDSoft/Intel Mobile Communication and software delivery leadership for European and regional clients.

EDUCATION

MBA, Master in International Business Administration

2025 - 2027 Expected

Paris ESLSCA Business School | Global Management

Project Management Professional (PMP) Training

2007 - 2008

Universite francaise d'Egypte
