PROFESSIONAL SUMMARY

Commercial IT and digital transformation executive with 20+ years leading technology strategy, product and platform ownership, and country-level business partnership across healthcare, FinTech, and e-commerce. Currently governs a \$50M healthcare technology portfolio across 16+ hospitals in KSA, UAE, and Egypt, advancing responsible AI, enterprise data, clinical integration, regulatory compliance, and measurable value realization. Built an enterprise PMO governing 300+ initiatives across 8 countries and led Egypt market operations and product architecture for a regulated financial-services platform. Combines executive advisory, agile delivery, financial governance, reusable integration patterns, and high-performing team leadership to translate regional strategy into reliable market execution.

CORE COMPETENCIES

Commercial IT Strategy & Business Partnership | Product & Platform Ownership | Responsible AI & Automation Adoption
Technology Portfolio Value & Benefits Realization | Enterprise Architecture & Cloud Governance | Reusable APIs & Integration Patterns
Data Governance & Analytics Platforms | IT Service Management (ITIL) | Regulatory Compliance & Audit Readiness
Financial Governance & Vendor Ecosystems | Agile Transformation & Change Adoption | Executive Stakeholder & Team Leadership

PROFESSIONAL EXPERIENCE

PMO & Regional Engagement Lead

Saudi German Hospital Group | Dubai, UAE | Jun 2024 - Present

- Lead a \$50M healthcare technology transformation portfolio across 16+ hospitals in KSA, UAE, and Egypt, translating executive priorities into governed roadmaps, investment decisions, delivery milestones, and measurable value realization.
- Established an enterprise PMO for 30 cross-functional professionals delivering responsible AI, telemedicine, enterprise data, analytics, and clinical decision-support capabilities with structured prioritization, risk governance, and executive KPI reporting.
- Direct EMR and EHR integration across clinical systems, LIS, HL7, FHIR, DICOM, APIs, middleware, data mapping, user acceptance testing, and go-live activities, enabling reusable integration patterns and reliable healthcare data exchange.
- Partner with global healthcare technology providers and business leaders while maintaining JCI, HIMSS, and MOH compliance, data governance, audit readiness, change adoption, and continuous operational improvement across a regulated matrix environment.

Country Manager

PaySky, Inc. | Egypt | Apr 2021 - Jan 2022

- Led Egypt market entry, product architecture, and country-level business partnership for the nation's first comprehensive SuperApp, aligning commercial priorities, financial institutions, service providers, and phased market execution.
- Established the initial team and operating framework for a regulated platform ecosystem integrating payments, banking, e-commerce, and lifestyle services, with clear ownership, partner governance, prioritization, and adoption planning.

Head of E-Commerce Product & IT Strategy

Al Araby Group | Egypt | Jan 2020 - Jan 2021

- Led commercial IT strategy and e-commerce transformation for one of Egypt's largest retailers, aligning digital customer journeys, platform priorities, business stakeholders, and technology delivery around growth and operational value.
- Governed SAP S/4HANA transformation across finance, procurement, inventory, and retail operations, coordinating enterprise architecture, implementation partners, business owners, delivery phases, dependencies, and change decisions.

Product Development Manager

Delivery Hero SE (Talabat) | GCC Markets | Jun 2017 - May 2018

- Drove platform scaling from 30,000 to 7 million daily orders, a 233x increase, leading product lifecycle, roadmap prioritization, pricing, adoption, retention, and business-performance decisions across a high-growth commercial platform.
- Directed AI-enabled customer-service, customer-experience, and logistics transformation across Berlin HQ, GCC, and Egypt, aligning Engineering, Design, Operations, and commercial teams on APIs, integrations, data models, automation, reliability, and KPIs.

PROFESSIONAL EXPERIENCE (CONTINUED)

PMO Section Head (Project Management Department Manager)

Network International | Egypt | Sep 2014 - Jun 2017

- Built and led an enterprise PMO governing 300+ concurrent banking, payments, and insurance initiatives across 8 countries, standardizing portfolio prioritization, risk controls, KPI reporting, and delivery accountability for 300+ clients.
- Recruited, coached, and directed 16 Project Managers, strengthening resource allocation, stakeholder communication, financial governance, and executive decision support across a complex multinational and regulated operating environment.
- Governed a 14-month Salesforce CRM implementation across 8 countries and 170 users, coordinating platform lifecycle, integration, service management, business stakeholders, delivery partners, and enterprise adoption.

Engagement Manager

Revamp Consulting | USA, UAE, Egypt | Mar 2013 - Sep 2014

- Led healthcare and enterprise transformation engagements for Mayo Clinic and AT&T, aligning senior stakeholders, business-process redesign, service operations, and practical technology-enabled improvement across matrixed client environments.

EARLIER EXPERIENCE

Senior Project Manager, PMO | BlueCloud | 2012 - 2013 | IT infrastructure and telecom programs for Microsoft Egypt, Vodafone Egypt, and Qatar Diar
